It is the mission of St. Gabriel Youth Ministry to work together with the Archdiocese of Indianapolis and the West Deanery Youth Ministry Group to offer spiritual and social opportunities for middle school and high school students. Financial hardships should never be the reason why a student does not participate in activities offered.

Please complete the above information to request for financial assistance for your student to participate in the given named activity. In most cases, the financial assistance, up to 1/3 of the cost, will be granted as long as scholarship funds are adequate to cover the request. Additional financial support is approved on a case by case basis.

It is expected the student will participate and support the youth ministry fund raisers and/or perform service hours as agreed to by the Office of Faith Formation/Youth Ministry.
